

Welcome to Give Me That Book

Our purpose is to "declare the supremacy of Christ and the sufficiency of his Word to the extremities of the earth." You and I were created to discover and delight in the glory of God in the face of Christ. God reveals that glory through His inspired and infallible Book. As His Spirit opens the eyes of our hearts, we are enabled to see divine truth that is so real and wonderful that our lives are transformed into a miracle of God's grace. We pray that the resources provided here will be used by God to give you a new, robust and radical faith in Jesus Christ and his promises. May you find Jesus so precious in his Word that you become, "homo unius libri, a man of one Book."
